9/1964

The Wellesley Amateur Radio Society held its first meeting of the 1964-1965 season on Monday September 14th in the basement of the Wellesley Hills Branch Library ~~on Monday September 14th at~~ AT 7:30 Pm. Brad K1 CTK was acting President. Roy Snow read the Treasurers report, and Walt Lenk K1YTY was elected secretary for the coming year.

The next two months meetings were discussed, and it was agreed by the membership that we would have a demonstration of some new National products for the October meeting , and In November we would attempt to have three hams who were on the air last Summer in Europe speak to the Club. Roger Smith W1EOa asked for members to help clean up the club room on the following Saturday.

The first case of the TVI committee involving K1 RAW in Framingham was discussed, and acting President Rohrer told how he had contacted the FCC. It was the agreement of the membership that the club should only contact the Police for future complaints because of a fear that the club would be beseaged with a barrage of alleged complaints. The matter of incorporation was also discussed, and the Secretary was asked to find out how the Club could affiliate with the ARRL. (51 Per cent of the membership must be ARRL members).

Future meetings were again discussed, and how the membership could be increased. It was agreed that notices would be placed in the Jumior and Senior High Schools. Dues will be paid next month.

Coffee and doughnuts were served after the formal meeting was over.

Respectfully submitted,

Walt. Lenk K1YTY
